binance
bittrex
kucoin
soon bitmex ;)

This is clearly a screenshot from Bitmex LOL

Lemme guess... "someone traded based off your signal and that is their profits"

i use bitmex for myself and i followed my own call that i shared in the telegram group. I will be doing
bitmex signals soon that was the point of clearing that out
and nope that was my own trade

Thanks for the bump

Crypto - November 2, 2018, 8:23 am

I don't like telegram to much but maybe I'll take a look soon.

i prefer discord but since its not allowed on HF i made a telegram

RAT - November 2, 2018, 10:14 am

Telegram is way better than discord, I'd say.

Telegram has a lot of + points but the channels and role management are just lovely

BlackMessias - November 3, 2018, 6:15 am

+Vouch. Nice guy, telegram is good and people come with different inputs. Let's make bank. ? ?

GLWS88 - November 3, 2018, 11:43 pm

Thanks for opening the door for many crypto enthusiastic people to join your channel

Kylar - November 4, 2018, 1:41 am

Vouch for Doge, he knows what he's doing. Interesting peoples in the group chat, some are bringing nice knowledges and skills. Let's grow that !

The Doge of Wall Street - November 4, 2018, 9:12 am

thank you guy for the vouches it makes me happy that you enjoy the work i put in :)

The Doge of Wall Street - November 5, 2018, 9:48 am

When we reach 200 members i will start giving bitmex calls that gain me insane amounts of profit

Nano - November 6, 2018, 2:56 am

vouch for doge my portfolio is currently 30%+ bc of the alt signals thanks to him

The Doge of Wall Street - November 6, 2018, 9:00 am

we made some good predictions again today :)

Also predicted the pump in ADA

The Doge of Wall Street - November 7, 2018, 12:47 pm

predicted pump & used high leverage
