I bought a \$25 code, works perfectly.

Rexxar - October 19, 2018, 9:08 am

Enjoy the code guys. Last \$25 code is remaining

SIM-82498 - October 19, 2018, 4:18 pm

Do you plan to get anymore \$25 codes? I will buy 30.

Edit: Same with the \$100 codes - if you can get more of EDU_ENG_FY2018_IC-Q4_1_100USD, I will take 30. No discount expected, will pay your price.

I'm confused what is this for? To pay for Amazon Cloud Storage at a discount?

Yes. Basically you can redeem these codes in your AWS account and pay for any service like EC2, S3 etc from these credits.
