Snowwy - October 21, 2018, 2:56 am

I only really drink Redbull at times. I don't drink it a lot but I do from time to time. I actually like the taste though.

What about you?

Rubentastic - October 21, 2018, 2:56 am

Only white monster because it contains zero calories and I just like the taste of it.

Condoms - October 21, 2018, 2:56 am

I love to drink Rockstars. About 3-4 times a week.

Ram - October 21, 2018, 2:57 am

Redbull and Monster energy drinks are the best for me :) White Monster energy drink is great for workout in gym :) 0 calories but gives energy :D

SIM-403479 - October 21, 2018, 2:58 am

I normally have the zero calorie Monster.

MR. MORNINGsTAR - October 21, 2018, 2:59 am

Sometimes I buy some redbull to mix it with vodka but I'm not really into energy drinks, it's expensive sugary water.

Monster just doesn't taste good IMO, and same with others.
