Thread: [FORTNITE - vBucks For Cheaper Method \(4 Methods\)](#)

Wyatt Garcia - October 21, 2018, 8:00 am

FREE Pdf File, How to get vBucks for Cheaper (Legal, Whitehat, No carding & Bans)

++ 4 Different Ways ? ++

Please send me 10 bytes or +REP, I wrote this myself and would appreciate it!

This guide/eBook has 4 different ways how you can get Fortnite vBucks for cheaper prices. Absolutely legal and will not get you banned.

Worth a try if you are playing Fortnite and want to get vBucks for cheaper sometime.

I have even tested these & many many other people, these are legit!

I wrote this maybe month+ ago, so not sure how many of these are outdated, probably none but yeah!

How to receive The Methods?

1. Post on my thread. (You can send PM, but please don't)
2. Optional send me 10 bytes or REP. This is not needed to do, but if you are able to do it please do so. It took me some time to write this and I'm helping the community out, so thank you!
3. Wait for me to send you the GUIDE. Be patient!

These work even if you have PS4/Nintendo/Mobile/xBox linked to your Epic games.

This is nothing crazy, these are probably known methods to many, but I hope there is at least couple methods you did not know. Also helping out the newbies!

Please do not share the guide with anyone/sell it/claim it as your own. This was written by me.

Remember; I do not take any responsibility however, if your purchase fails somehow & any problems occur.

Use these at your own risk.
