Thread: [----- \[100% FREE\] New google adwords method --- get free funds on google adwords !](#)

salimon - October 21, 2018, 10:47 am

Hi i'm new to this forum and i want to start off by sharing this Google Adwords method!
Please leave some reputation if it helps!

Download here: pastebin.com/nGrST7SL

Code Credits to [royalprofits.club](#) they also give free support

- 1) You make an German adwords account and change your language.
- 2) Fill in the required identity information.
- 3) Choose IBAN Payment/Bank Payment/Automatic payments (Only works in certain EU Countries)
NOTE) You can purchase an Unlimited IBAN VBA's for free METHOD from the [RoyalProfits.club](#) shop.
- 4) Add the german IBAN VBA with receiving and sending options - we recommend those from the [RoyalProfits.club](#) shop due to that they have been tested with google and succesfully accepted 10/10 times.
5. Wait for Google to send you \$0.05 - \$1.00 as verification payments to the IBAN VBA.
6. When you received the verification funds go to Google Adwords and fill them in.
7. Go to the "Financial" page and click on "Make a Payment" and add \$350.
8. The payment will be added instant but the funds will be charged on the VBA through IBAN once they are spend or once 31 days are passed which means that you can spend \$350 within 31 days and then you need to repeat the method because the accounts will be blocked.
9. Repeat to make multiple accounts with \$350 balance.
10. Enjoy your free Adwords method provided by [RoyalProfits!](#)

TIPS: ProtonVPN offers a free VPN trial, perfect for this job.

After the trial is done simply create a new account, no creditcard or micro payment required.

No it is what he assumes.

Check Nulled they even own big groups regarding this method lol

The method is legit, it's just using IBAN system for EU countries.

Not hard to understand lol research if you don't believe or just try

Idiots, the method works, it has been working for over 2 years now.

However it's leaked on all big forums.
