Is this service still available? I am looking to purchase some credits

LightdownRu_ - February 27, 2019, 1:18 pm

First of all, Big vouch for this guy !. He is very professional and friendly.

I buy him a Account + 16k R6 credits.

We got a small delay du to some problems but all works fine !

For those who are worried about the delay : This guy have a huge list of costumers. It's normal that it may take maybe more of 24h. Be patient you be satisfied.

Happy to make buissines with this guy. Highly recommended.

KSSnacks - March 3, 2019, 10:44 am

This guy still sells apparently, and the post above by Lightdown is somewhat true in regard to his high workload and heavy customer flow. I've been waiting four days for a credit purchase, and hopefully he still follows through.

Will update soon.

4KTREY - March 3, 2019, 12:03 pm

Looking to purchase once KSSancks confirms he recieved his purchase.

Vassilios - March 3, 2019, 12:06 pm

What are the chances of getting banned for this?

Crowley - March 3, 2019, 12:34 pm

so this is just for PC? Are we able to get this for platforms?

Gelly - March 5, 2019, 12:10 am

Can you be banned? If Yes for how much time?
