Meaning Reddit is a great place to grow your e-whore, and advertise your shopify store and blogs.

PM'd - Still offering this service, feel free to contact me!

sleighty - December 19, 2018, 5:11 pm

Might use your service tomorrow! Can you drop me your Discord?

Houtarou - December 23, 2018, 12:04 am

Are you able to do amounts less than 50 upvotes as well? Need to post in a subreddit that doesn't require that many.

I find related subreddits to my niche and either recommend the product in the comment section or simply post it on the subreddit.

So many ways you can use reddit for traffic.
