Thread: [Scammed by Kotsya](#)

**Dr Greenspoon** - October 22, 2018, 3:50 pm

wtf bro its only 31\$ ;\  
he talk with me about botnet menotring  
he tell me to buy a linux  
i buy..  
and give him the details  
and send him 31\$ via paypal  
he block me on hackforums  
and delete me from the skype  
thre is the picture

Post a contract link other wise this dispute is invalid

**MadGoofy** - October 23, 2018, 6:23 am

I'm not surprised about this.  
He is probably connected to the profile "BitcoinCriminal"  
<https://hackforums.net/showthread.php?tid=5896784&pid=57729769#pid57729769>  
  
I'm sorry for your loss, bro.

**Alles auf Rot** - October 23, 2018, 6:43 am

I got scammed by him too for 40\$ (bots), but i didnt care too much to create a thread. He closed his thread after i told him i will leave him bad feedback

I think you should open a report too... I want to see his account closed soon.  
What a bad person.

**Humpstead** - *October 23, 2018, 1:32 pm*

Fucking shit why didnt you post his UID I just got scammed by him -\_-

**Offset** - *October 23, 2018, 1:33 pm*

He scammed me as well a week ago for \$250 lmao.
