for

Xerotic Bot DNA Award

Hello everybody. My name is Xerotic and I [recently became an Administrator](#) here at Hack Forums. I will be (and have been already!) creating plugins, adding features to the site, and improving site functionality where needed. While I am in this position I will be dedicating my time towards HF full time. In order for this to be possible, however, I must be able to earn money to pay my bills. As part of a plan to allow me to dedicate the time I will be (and have been) dedicating to HF, Omniscient has allowed me to grant the [Xerotic Bot DNA](#) award once per month with the understanding that it will be sold or auctioned each month (or granted for free/not granted at all). This will allow me to afford my rent/bills so that I can continue to pump out code and bring some amazing features to HF. Features that have been talked about for years are going to be coming to HF swiftly, but only as long as I am able to afford to dedicate all of my time towards the site.

Award

The Xerotic Bot DNA award is very rare. It has only been granted to four members! The award will only be granted once per month and it will either be sold, auctioned, or given away. It is designed to support me so that I can support Hack Forums.

I would like to thank [Novica](#) for creating the award image.

Will bid on this for sure ! Waiting to see who is bidding first!

(Buy at least a mega millions ticket, and give me \$100,000 once you win, like you promised.)

Bids are pretty irrelevant since this always gets sold for the BIN \$1k. Watch Horus get his 4th haha

I'll get the ball rolling with a \$500 bid.

Almonds - October 23, 2018, 9:19 pm

We got it going on here on HF, I tell ya!

Appreciate your diligence, Xerotic.

\$525 from me ?

Just the bytes are worth about \$500. Whoever picks this up for 1K could easily recoup. GL.
