I want to start off by saying that this method does work and will get you earning fast aswell, however to reach \$300+ every single day requires effort and time.

The method is new for me personally, it isn't being sold here on HF by others so i would say that this is indeed his own private method.

However it isn't a magical high exclusive method, it's just a working method to make money online which requires effort and time to build into a \$4,000+ per month income.

The price is cheap/normal for this method.

Method is whitehat.

- 1) It does work.
- 2) \$300+ /day as advertised is to much but it is possible in long terms with effort and time spend.
- 3) Will provide you with a daily income
- 4) Private method indeed (atleast from what i know) but with public services included therefore very clever aswell
- 5) Does not require investment but investment would help you safe effort and time
- 6) Product is cheap for what you get, you'll make your investment back quikly for sure.

8/10

Very interesting!

Does this method invole auto-trading or day trading ? Or any kind of script on a trade platform?

for example auto buy-in and auto-sell with leverage?

GLWS!

Kind regards,

How much realistically can I make a day, and how much would I make if I spent 1 hour on it?

Also, if you can make a living for the rest of your life using this, why sell it on HF?

Yu Yan - October 24, 2018, 6:25 am

Do you have a few vouch copies?

I'll leave a very detailed review within 1 hour after you've delivered the copy.

Capital Bra - October 24, 2018, 6:56 am

I would take a vouch copy if its possible?

Greetings doennutt,

Seeing your only review was posted by a guy who is now banned at HF. It overall looks bad for what you're trying to sell. As for Tom C, it's weird he poofed out like that. I'm sure he will come back in time if you gave him a vouch copy.

Anyways, the reason I am leaving this right here is that if you're looking for an 'Appraisers' style vouch which is proper, detailed and well-written out. I'd leave one just like that. I'm slowly building up my rep to join them (eventually) and I have a habit of writing long detailed posts anyways, so I love to go into details in whatever I am doing. So if you're up for it, let me know. I'd be more than glad to invest some time into this method and leave a very proper vouch which other general people like me can relate to easily.

Your friendly Witcher, Regards.

I agree it looks bad but i also think that he needs a vouch from an upgraded trusted and old member who has spend money, time and especially effort into his account and reputation around the forums.

I'd appreciate it if you could change your FAQ as it seems like you literally copy-pasted (stole) it from my thread. Thanks.

I wholeheartedly agree with what you said. But I rather have someone like Theocritus or someone from the Appraisals team leave a vouch review for these kinds of things. They are usually well written, detailed and gives you a proper idea on what to expect. Other vouch reviews from similarly trusted members are well, just short for my liking. But hey, any vouch review by a trusted member adds 'credibility' to a product or service.

Regards.

Theocritus is indeed a member who has invested time, money and effort into his account, he is definitely trusted.

you are going to need a serious voucher because paying 40\$ to make 9000\$ makes no sense and I doubt it works.

As for the voucher Yu Yan he scammed a bunch of use with his trash ebook so you better delete that before you get associated with that scammer

My timezone is GMT+1 it's ust 11:40 am now and here's how much i've made so far using this same method:

PS : Any trusted member feel free to ask for a vouch copy..

jasonleto - November 15, 2018, 4:05 am

we are the 15th of november and all I see on your gif is 22nd october and then on your profile 24th of october.

Why is that? And if your going to post a new proof gif and taking your sales claims into account of 300\$/day then:

$25/10 - 14/11 = 20$ days at 300\$/day there should be an extra 6000\$ on that account, correct me if i'm wrong
