Terms of Service:

Spoiler ([Click to View](#))

If you purchase this service, you automatically agree to these Terms of Service.

All lessons are for educational purposes only. Anything you do with the knowledge you obtain is your responsibility. I am teaching you how to set up a remote administration tool, not how to use it for illegal activity. I do not condone, participate in, or support any illegal/blackhat activity.

If at any time throughout the lesson I get the feeling you are using the tools for malicious purposes, I will end the lesson without refund. This includes any talk of spreading, "infecting", "victims", or any other discussion I see fit.

I have the right to refuse service to anyone, with no explanation.

All lesson purchases will require an onsite contract.

If there are any issues with your payment, an onsite Deal Dispute will be made, along with any further action I find fitting for the situation.

NO sales trashing of any kind.

NO leaking of the teaching styles/methods used in the lesson.

I have the right to change these terms without warning.
