Thread: [Selling method \\$600 a day -](#)

perilperilperil - October 26, 2018, 1:56 am

Havent been on hf in a while so I'm not sure if its the same as it was way back when

I have a method I can show proof of earnings on skype on paypal live share what not

Method makes \$600+ a day profit

Start asking questions if you're interested and we can go from there

Selling this to two people max

\$750 USD / pretty much any payment method

can get a mm

Not sure as to why exactly you are sharing this method and potentially losing your income stream. but well, would you mind providing an overview of what this is about?

A couple other people are currently doing the method and it doesn't effect mine at all.

I will tell you about an item that resells for 400%+ profit

where to get the item and ways you can sell the item

Capital Bra - October 26, 2018, 2:39 am

Are there any requirements?

Does this work worldwide?

Hollow™ - October 26, 2018, 2:44 am

Any investment? Is this basically just dropshipping then?

The way I sold the item I didn't drop ship

The way I sold the item I didn't use an investment

Would work only in the United States

If someone is interested I would be willing to let a mm hold the funds in escrow almost until you profited which you would first day

kcommenter - October 26, 2018, 3:50 am

interested in a vouch copy / discounted vouch copy

perilperilperil - October 26, 2018, 4:02 am

I'm not going to be giving out a vouch copy as I dont plan on selling this in the long run

I full confidence that anyone living in the united states with knowledge of this will be able to make \$600+ a day

Sounds good. but well, if you would be offering any vouch/review copy. I would gladly take it and will post back my review on your thread.

Go ahead and send me it and I'll pay you the \$750 if I actually make it with your method ;).

I don't see anyone dropping this much money on it without a guarantee though. Even with a MM they won't hold the money until they actually make profit so it's pretty easy to get fucked over here.

Yeah I don't think anyone has that much on here , but doesn't hurt to see if I try and make an extra

\$1,500 ?

There's no reason the person wouldn't make \$600 a day its a guaranteed pretty simple
could live share my paypal and what not if anyone would be interested haha

Even if I saw the money it doesn't prove you made the profit with this method? Also, the
screenshot you added doesn't prove anything either haha.

My deal still stands, shoot me the message and I'll send the money when I actually make the profit.

I can show you online where to get this item for \$5-12

Where you can sell the item for \$50+ no instagram bullshit either no shopify shit

In terms of being able to show the profit I could show withdrawls to the bank though that wouldnt
really show it

Shoot me a PM explaining it and I'll make you a deal.

Hey,

I hope you understand this seems sketchy. Maybe if you could answer a couple questions it would
back the valuation of the method.

Is this a virtual good or physical?

If physical does it require stocking or drop shipping?

Will it require advertising?

What kind? (Online ads, calling)

Will it include using ebay, Etsy, or door to door marketing?

Feel free to PM if you want to keep it more private.

I don't mean to stamp your post, but I am certainly interested.

blackwhiteguy - *October 26, 2018, 8:20 pm*

it cost 750\$ to buy this? lol thats the most expensive item I saw on here

MikeHunt2016 - *October 26, 2018, 10:40 pm*

Hey, PM me.

If this works in Aus then I might interested.

We can go from there :)

MikeDin£ro - *October 27, 2018, 7:57 am*

Hmmm I would have copped this and given it a go as I have some spare time on my hands and am looking to start another project...shame it only works in the US as im not from there
