Thread: [\[Render\] Latest 3D render "Spiralized"](#)

Collidal - October 26, 2018, 10:09 pm

I had made this a little bit ago, but I did want to share it :) (sorry, apparently I'm still unable to share pics in posts :/)

Which program did you use to make these?

SIM-964740 - October 27, 2018, 4:56 pm

Thats wicked, how'd you do it?

Collidal - October 27, 2018, 5:18 pm

Cinema 4D + Octane render

(Oct 27, 2018 04:56 PM)Deadpan Wrote: [\[CITE\]](#) Thats wicked, how'd you do it?

Thanks, I used a 3D program (cinema 4D) to create this.

ektomorf - October 28, 2018, 6:02 am

keep on going bro great work
