I'm doing a \$10 BTC giveaway. all you have to do is post in this thread and rep to be entered. Giveaway ends on the 5th of November. I will use a random number generator to pick the winner, your post number is your entry number.

BYTES WILL ALSO COUNT AS ENTRIES
10 BYTES = 1 ENTRY
GOOD LUCK

+1 rep = 1 entry
+3 rep = 3 entries
+5 rep = 5 entries
etc

byte entries:
