Thread: [Do you like Taco Bell?](#)

SIM-2059193 - October 28, 2018, 6:49 am

I'm curious about people's opinion of this fast food place.

I personally love it and think it's great depending on what item you get (5 layer burrito) but some items are unimpressive imo (Mexican pizza)

What do you think about taco bell?

romanocartago - October 28, 2018, 9:30 am

Fully butts it's also junk food so not for a weekly thing

VoIPv2 - October 28, 2018, 1:52 pm

I think it's cheap and easy. \$5 for a box with 3 things sounds like a good plan to me!

neverhave1ever - October 30, 2018, 8:16 pm

I worked there once upon a time ago. I will always love that place

Mastor - November 4, 2018, 10:46 am

I absolutely fucking hate Taco Bell for one reason alone.

THEY ALWAYS FIND A WAY TO FUCK UP MY ORDER WHEN I REPEAT IT 20X.

TwRZ78vXzJWBJE7L - November 4, 2018, 12:29 pm

When I was on my trip to US I hated visiting TB. Imo it has nothing similar to Mexican cousin.

Predator965 - November 5, 2018, 5:04 pm

no i don't like it at all

Sheep - November 5, 2018, 5:54 pm

The chili cheese burrito combo is my weakness

630 - November 6, 2018, 8:44 am

I do enjoy taco bell. Probably my favorite fast food place currently. Really like their \$5 boxes. Good and filling for cheap.

Accountors - November 6, 2018, 8:47 am

I never tried Taco Bell, there isn't any of that where I live

?roye - November 6, 2018, 3:36 pm

I don't hate it but it's unique, not good, but unique.

g0st - November 9, 2018, 7:34 pm

1 crunchwrap supreme

2 nachos cheese doritos tacos

1 beefy fritos burrito

1 order of cheesy fiesta potatoes

1 order of nachos & cheese

1 side of sour cream

1 Large Mt. Dew

SIM-3953591 - November 11, 2018, 3:21 am

yeah same. I'd like to try taco bell but that would mean moving to a completely new place

Blogger - December 1, 2018, 1:33 am

I like Taco Bell. I usually get their cheesy potato bowl or the doritos tacos supreme. Unfortunately it makes me sick everytime so I try to only eat it once in a while.

??lozo? - December 30, 2018, 11:27 pm

Taco bell's the only fast food place i like tbh. I like just about any item if I add spicy ranch into it ?

Sixen+ - December 30, 2018, 11:30 pm

Only at 3 am when I'm super drunk and need to eat something shitty to satisfy myself.

Is this your first time ever trying Taco Bell? But yea it is pretty good I love it.

Benjamin - December 31, 2018, 6:28 pm

I have never eaten taco bell and never will

Hack - January 1, 2019, 5:09 pm

Never had it before although i've heard good things.

reBELLYus - January 1, 2019, 5:09 pm

Meh, it's alright if you are starving. Other than that, no bueno.

TryGravity - January 2, 2019, 6:31 pm

Fuck yeah, shits nasty though I worked their recently quit that bitch tho fuck that.

PerfectStorm - January 5, 2019, 12:22 am

That is one fast food join i just do not eat at. Something about it that grosses me out.

No hate. I know people like it.

sd7926 - January 6, 2019, 8:30 pm

I like taco bell at times but not regularly just occasionally.

ZeroToHero - January 8, 2019, 7:57 pm

Taco Bell is awesome. Foreigners always work there and get your order wrong 100% of the time. This means they have to remake your order and you get to keep whatever they fucked up on as well.

The chalupa supreme and dorito los tacos are pretty shwifty.

Deany - January 8, 2019, 7:57 pm

Wish I could get it more often

Ondernemer - January 10, 2019, 11:48 am

I've tried it once or twice wouldn't say I'm on, keen on it but it's affordable I'd say

6ing - January 10, 2019, 7:26 pm

The only reason I go to Taco Bell is for the beefy nacho loaded grillers and the 5 layer burritos... They are amazing.

Porsche - January 31, 2019, 12:08 pm

I really liked Taco Bell it was the 3 am food to go to however last time I had it like a year ago I got food poisoning and I haven't had it since. Also once there was a piece of cardboard in my soft taco.

GiraffeBear - February 2, 2019, 10:21 am

I don't go to Taco Bell often but I fucking love their food! Gives me quite the shits though.

xShowTime - February 2, 2019, 7:15 pm

I used to like it but from eating it too much I've started hating it.

Aeowulf - February 2, 2019, 7:16 pm

It's been named the healthiest fast food option.

I'm also vegan so it's one of the few fast food restaurants that has decent options for us.

So, yes, I love it.

LoveOverFear - February 2, 2019, 7:17 pm

I love Taco Bell, it's a classic.

N&out is also a fav of mine.

degenration-x60 - February 3, 2019, 4:16 am

Nah I don't like it.... :(

scawri - February 3, 2019, 4:26 am

\$5 box isn't half bad, but it really does depend on where said TB is located, some places it's not bad, others straight up give u stds

JoshAllen - February 3, 2019, 7:17 am

It's cheap, and I don't care if it destroys my toilet for cheap.

Aeowulf - February 3, 2019, 9:42 am

Only getting the vegan options for things the past few years, I haven't had any abnormal visits to the bathroom.

I think their toilet-visit-inducing secret is in their meat. Before I went vegan, I rarely ate Taco Bell because every time, it was a guaranteed blowout night.

maria200 - February 10, 2019, 10:03 am

I love their apple drink and their slushies

Kns12 - February 24, 2019, 1:19 pm

it has some good food. personally I usually get the power menu bowl as my main thing and

whatever else that looks good to accompany it.

Cocaine - February 24, 2019, 1:20 pm

I like it. I love the Doritos Locos Tacos, you will catch me eating like 10

TheTrainingCentre - February 25, 2019, 11:05 am

We've just got taco bell here in the UK and it's great for what it is, fast mexican food!

Tesla - February 25, 2019, 11:12 am

I fucking love taco bell its the perfect stoned food

vegaobscura - February 25, 2019, 2:12 pm

I like taco bell like I love an occasional chocolate chip muffin. I know it's bad for me, but in that moment, it's worth it.

Mindless - March 10, 2019, 8:56 pm

I've actually never tried it

serene - March 22, 2019, 6:02 pm

I personally do not like it. It's too much junk food

evolucion - April 18, 2019, 12:04 pm

No, I don't like it at all. I rather preffer mexican tacos. The authentic ones.

wortharush - April 23, 2019, 7:30 am

Taco bell is really overrated imo, it's not bad but it's not as great as people make it out to be, same with Chipotle.

?ystem - April 23, 2019, 7:41 am

Ugh. I have to be really, really in the mood or very hungry in order to even think of Taco Bell. I worked there twice in my younger years and just had too much of the food. Although I sometimes wish I had a bottle of the sauce they use on a quesadilla in my fridge to spice up something rather bland tasting.

Toretto CMP - May 19, 2019, 8:19 am

I've never tried it before. I hope I get a chance to try

debian - May 24, 2019, 1:27 am

I used to really love Taco Bell but then my girlfriend got a job there and I ended up eating it waaay too much so now I'm kinda sick of it
