Thread: [Are you gonna shave during No Shave November?](#)

Kappa - October 28, 2018, 11:26 pm

Just wondering how much of HF is gonna take part in No Shave November? I personally will be but my genes aren't on my side sadly.

SIM-1349466 - October 28, 2018, 11:32 pm

I need to "manscape" I can't stand being hairy down there.

We'll keep it between us that down there is the exception lmao

SIM-3257834 - October 28, 2018, 11:35 pm

I shave everything regardless of the month.

Haha. Other than that, my hair grows really slow except my facial hair. I trim my facial hair every 3 weeks because I start to look like a bum.

You gotta keep your fur coat for the winter though

Same. So not shaving just looks awful.

Na it's okay I got enough cold weather gear to stay warm vs little hair.

I personally don't shave but I keep what little facial hair I do have trimmed down so it looks decent.

Redemption - October 28, 2018, 11:39 pm

It just depends on what's happening and what plans I have. I'm more than likely not going to shave my beard any unless I absolutely have to though.

Shaving a beard to nothing is the worst. I feel naked, vulnerable and younger.

That's exactly why I usually end up just trimming, feels weird lol

SIM-3107656 - October 28, 2018, 11:48 pm

Yes, noshavenovember does not work out with me.

It's crazy how much your appearance changes when you shave your beard. Whenever I shave, it makes me look like I'm 16 or 17 but with a beard though, I look like I'm in my mid 20's.

Same man. I look younger than I actually am already so, shaving I get ID immediately for anything.

CocaColax - October 29, 2018, 12:23 am

Like you OP, genes aren't on my side either. So yea, I'll shave

pms - October 29, 2018, 1:57 am

Facial hair is pretty crucial for me, but lack of hair in other places, lucky.

To be honest, id rather be in your situation, my face looks like a 12 year old.

I grow more than enough facial and armpit hair, but I have very little arm and leg hair. No chest hair at all, even though I wouldn't want that.

Pyro - October 29, 2018, 5:40 am

as a kid, i always wanted beard and stuff, now that becomes pain in the ass for myself, but I like being bearded

Yin Yang - October 29, 2018, 6:13 am

Not sure we'll see how it goes

ogubuyer - October 29, 2018, 8:16 am

I'm not going to take part of this at all.

Capital Bra - October 29, 2018, 8:28 am

Bossk - October 29, 2018, 8:34 am

Im actually gonna try not shaving for about a week and see how fast my facials really grow

Percyville - October 29, 2018, 8:44 am

Any excuse for me not to shave , is usually a good excuse.

Otherwise I have "babyface", Aint nobody got time for that!

b?xxy - October 29, 2018, 8:45 am

Probably, I can't be bothered to change my routine based on some social trend.

Roytoy - October 29, 2018, 8:49 am

Probably yeah. I have too many things to shave for

Woods - October 29, 2018, 8:51 am

I don't grow much facial hair but I will be participating in no shave November minus my nuts.

Zeus - October 30, 2018, 11:26 pm

Nope, I prefer my fur coat dude.

MaxOd - October 31, 2018, 4:13 am

voidshifter666 - *October 31, 2018, 6:10 am*
