I have been serving many friends in Nigeria for over 5 years. Also relatively well known on HF.
This is absolutely legit mate. Chat me on skype for further discussions
hf_homi

Regards

PS: Really appreciate the vouches from you guys :)

Hello
it's two months since I use KleptoStealer.

I think is the best the stealer from the market..i've tried before stealers and keyloggers ... but this is the one that I use ...

I'm very pleased with the services the seller offers.

Up-date is constant and very good support.

Thank you bro and good luck with your sales.
