Sadly discord doesn't allow more than 26 accounts to be linked.

When i asked them why i couldn't have more than 26 they asked me why the hell i even had 26 skype accounts in the first place. ?

Lol.

I might just do something with all of those Skypes.

Maybe say a sentence or something lmao.

You could do something like two words per Skype username.

Whats the point of linking skype accounts just wondering.

Neodraxis - November 4, 2018, 5:49 am

Wow, you're super cool...

PerfectStorm - November 4, 2018, 5:52 am

Wow this is impressive alot

Well i mean if you want to advertise its pretty easy since it suggests you to add all your skype contacts that have discord.
