He went first. The cards worked (I got physical cards with the codes he gave me) but then less than 24hrs later they all got deactivated/wiped

Wow this is one of those "too good to be true" type deals. You wouldn't find me in.

Sorry for your loss.

Wow that is honestly a pretty crazy deal wouldn't believe it.

Don't you get scared you can get trouble for this? Like having a 1k starbucks gc?
