?ope - November 2, 2018, 2:50 pm

Are we going to watch the whole series in one go?

?BowmanBot? - November 2, 2018, 3:16 pm

We can also stop at a certain point and resume the following week.

Merci "mayn"

What should we watch for the next event?

xMannyG - December 3, 2018, 5:23 am

I was planning on bingeing Golden Time again since it's the only slice of life/comedy I liked. That or Angel Beats is always fun!

Suntzu_ - December 8, 2018, 11:55 pm

I believe Fairy Tail or other bigger titles will be quite long and boring for a weekly rewatch group. Check out Elfen lied, Erased or Baccano. It will be easier to complete the entire series within a week or two.

Anyways, you might also want to check out the annual Christmas re-watch of some older titles like Clannad or Toradora going on currently in r/anime.

Thesherph - December 11, 2018, 5:29 am

Would be great if next time you could add trailers to OP

jbtb077 - December 12, 2018, 12:17 pm
