Have you ever considered the fact that there's a section with stickies dedicated for people with questions like you

From what I learned, Reputation is gone... forever

PerfectStorm - November 2, 2018, 5:36 am

You missed a lot its time to catch up. It was reset a good while ago.

Dariustresor - November 2, 2018, 5:38 am

Reputation was reset , I advise to read the "news " section

PerfectStorm - November 2, 2018, 5:39 am

And its now called "Popularity" as well.

zeroday - November 2, 2018, 5:50 am

A lot has changed since you've been gone. You have a lot to learn

Michael - November 2, 2018, 5:52 am

Bytes are introduced as well.

Gotta catch up OP.

Elysium - November 2, 2018, 7:05 am

As everyone else has pretty much covered by now, reputation was reset for everyone and the name has also recently changed from "Reputation" to "Popularity".

b?xxy - November 2, 2018, 7:07 am

Reputation is gone forever, it is now called popularity and doesn't really mean anything anymore.

Jacked - November 2, 2018, 9:04 am

Yeah, there was a huge update since then, reset everything.

Nima304 - November 2, 2018, 9:13 am

I lost all of my reputation too, but now I actually have more than before I was reset. Took me a lot less time to get it too.

Neodraxis - November 3, 2018, 4:47 pm

Should check the rules & announcements section bud.
