No Tele needed as there will be a telegram group, and a snapchat group. Adding you to snap now, I can't give a shout out because it's 2k plus, but when more people join perhaps someone will be willing to :)

Asked user if I could take the bare concept of his site and make it into my own by integrating Cash App and Amazon clickable links but then after I asked he said I make no money and told me to remove him on everything.

Plus side, he told me to have a good day so :)

OP is a good user and knows what he is doing in the game.

Do not skip out on this SFS group! ?
