Vouch for this user, he's legit and has the extra keys from several HumbleBundle Monthly packs.
Gave me an extra key as well.

I still have yes; I have 1 account with all these steam keys available.

Will sell bulk; every key for 100\$

I'd sell all the keys for idk \$100 or best offer.

CrashpiG - February 27, 2019, 8:40 am

interested, please pm... lets work something out.

Sillee - February 28, 2019, 1:49 pm

Anyone want these?

Willing to let them go pretty cheap!

Acorns - February 28, 2019, 3:01 pm

pm me the price of titan quest :)

Tbh I'm really looking to sell all the keys as a bundle; have no use for any of them as I don't play PC games anymore.

Just want like 70\$ BTC for the lot of 62 keys.
