Will be trying my best to find your name as fast as possible.

Nothing more nothing less. If I fail, I will give you 50 bytes. You must have at least 1,000 posts on HF and 100 popularity.

Cheers.

would you do it for an UB3R?

Crypt - November 6, 2018, 10:42 am

UB3R are being pushed to the side :(.

If you'd make an exception I would love to see what you could find. If you find something good I'll give you 50 bytes.
