If your skin color is white and someone talks about it the right way (your mom or sister) and is correct, do you get angry? How do you react?

mycatisadog - November 5, 2018, 5:23 am

I absolutely have no idea what does this mean, what do you mean "if someone talks about it the right way"?

Mr. Robot - November 5, 2018, 5:23 am

Dilixence - November 5, 2018, 5:25 am

If your mom is white and says, "son, you know we are white"

That is right, yes or no? Or is it wrong? That's what "the right way" meant lmao.

It's not that hard to understand...

bananachocobo - November 5, 2018, 5:25 am

I have no clue what's going on. I reread this three times to make sure I wasn't going crazy.

You are apparently a troll or you clearly don't know English well enough to clearly speak your mind. Just because you are a troll or can't speak English, you can't blame us with being racists.
