Neoskip is a short url website, from which you can easily make money.

Although we are in the beginning, we are going to offer rates of over 2 Euros for those with a lot of traffic (depending the country) + a bonus of 0.50 Euro for each newly registered user.

From refferal you can earn 20% per life, and the minimum withdrawal will soon be moved to 3 euros, currently being 5 euros.

Currently, the only method of payment is Paypal. Bank Transfer, Payoneer and Webmoney are to be added as soon as posible.

Im waiting for your answers! NO Exchange traffic, NO fake traffic! Thanks!

UPDATE: NEW OFFER VALID UNTIL 15.11.2018

Every user who brings an active refferal with a minimum of 500 real visits (clicks on the "Skip" button) receives a € 2 bonus + 20% bonus lifetime.
