Thread: ["Kill all jews" was trending on twitter.](#)

Mr. Robot - November 5, 2018, 4:22 pm

So main stream news were discussing it and it ended up trending on twitter.

The fuck is wrong with the world.

SocialButs - November 5, 2018, 4:27 pm

probably should work on showing proof of this

phr3ak_ - November 5, 2018, 4:27 pm

I wonder how it got into the mainstream news in the first place? Can you share the source?

"Go vote on Wednesday 7th"

Some users were banned for posting that on twitter

"In a statement, a representative from Twitter said the phrase should not have appeared on the trending topic list and that "we're sorry for this mistake."

"This was trending as a result of coverage and horrified reactions to the vandalism against a synagogue in New York," it said. "Regardless, it should not have appeared as a trend."" [>>Source](#)
