(Nov 10, 2018 05:24 AM)Theocritus Wrote: [\[CITE\]](#)

Before I begin my review, I would like to thank you for giving us ("Appraisers"), the opportunity to review your eBook.

Product: [Spotify Premium Upgrade Methods | Make Your Own Premium Accounts Now](#) by "Hydra"

This eBook consists of 7 pages and 3 versions of the same overall method.

The grammar and layout of this eBook is overall fine and there are minimal errors.

As is clearly evident in OP's thread this method is all about Spotify and how to get free or cheap premium. OP includes 3 ways you can do this which varies from whitehat to more blackhat. All 3 methods are easy to do and should take you no more than a few hours at the very most.

None of the content in here is revolutionary or anything brand new, but it is a small collection of how you can obtain Spotify Premium to those of you who are not already aware. As a volume Spotify seller myself, I can say that these methods work and can be very profitable if done right. If you want to just get premium for yourself then you will have it by the end of the day if you purchase this eBook. If you want to sell, set up a shop etc. then it will take a bit longer, but no more than a day at most if you put a little time in.

OP does also include multiple tools you can use for doing the 3rd method in this eBook, which is also the most blackhat one included. The tools will work well enough as I have used some of them myself in the past and you should have no issues getting results with them either.

As said this eBook is only 7 pages long currently and is not stacked with content as of yet, though OP has said he will update it in the future. The methods in here currently work and will continue to work for the foreseeable future.

Final Thoughts

The price point of this eBook is very affordable as well and will be worth a pickup for you if you have no idea about how to get premium or If you are in some other way brand new to this sort of thing.

Clarence - November 6, 2018, 11:13 am

Hey man you got any vouch copies going?

SIM-3326956 - November 6, 2018, 11:57 am

(Nov 6, 2018 12:13 PM)Clarence Wrote: [\[CITE\]](#) Hey man you got any vouch copies going?
Yeah I'll send one to you once I'm home.

Snowwy - November 6, 2018, 8:24 pm

I got a vouch copy from Hydra. It is very well written and although I didn't TRY the method, it does seem very simple and straight forward.

Clarence - November 7, 2018, 5:22 am

I got a vouch copy off of hydra yesterday and the methods are well detailed and easy to follow. I believe anyone can do this from how easy it is to follow.

SIM-3326956 - November 7, 2018, 6:40 am

Thanks for the review.

Oxy - November 7, 2018, 6:46 am

Quick question, how long do the premium accounts last for if you use the methods?

Khamul - November 7, 2018, 6:58 am

I'm guessing no more vouch copies? Do any of the methods involve using VCC's?

SIM-3326956 - November 7, 2018, 7:06 am

(Nov 7, 2018 07:46 AM)'Flareon Wrote: [\[CITE\]](#) Quick question, how long do the premium accounts last for if you use the methods?

It alp depends on which method you use one can last over a year and another can last up to 2 months but they are all really simple and take little no investment at all. (Nov 7, 2018 07:58 AM) Khamul Wrote: [\[CITE\]](#) I'm guessing no more vouch copies? Do any of the methods involve using VCC's?

Yeah sorry I'm not giving out anymore but you do not need a vcc for any of the methods.

SIM-3326956 - November 8, 2018, 8:15 am

Still selling this pm me or drop a post here if you have any questions.

Oxy - November 8, 2018, 9:53 am

Last question, Can you use the same email address when it expires?

SIM-3326956 - November 8, 2018, 10:13 am

(Nov 8, 2018 10:53 AM)Flareon pid= Wrote:Last question, Can you use the same email address when it expires?
Depending on which method you use yes you can.

BrandonBoyd - November 8, 2018, 12:34 pm

Be back to see more reviews or vouches of it :)

lance4182 - November 10, 2018, 9:20 am

no vcc? no bins? no cracking? no family account shit?

SIM-3326956 - November 10, 2018, 9:23 am

(Nov 10, 2018 10:20 AM)lance4182 Wrote: [\[CITE\]](#) no vcc? no bins? no cracking? no family account shit?

no vcc or bins for any of the methods ill be honest one of the methods does involve the others but the other 2 methods don't. I'll probably be adding 2 more methods to it in the future as well.

SIM-3326956 - November 11, 2018, 10:52 am
