Thread: [What are the ways of getting bytes / best ways?](#)

Poproxxx - November 7, 2018, 3:07 pm

I don't make many threads, usually just posting around / lurking, but I literally save up 20 bytes to play slots (and loose them of course) but I'm looking at ways to get bytes easier than posting. Do threads give you bytes? If so, how many? (I'm a non upgraded member if that matters) and also, what's the most effeicient way of obtaining bytes? Thanks

threads give you slightly more than posts. I have a byte loan service. check my signature. I also have a byte making guide. you should check that out.

yeah. you get like 0.01 bytes maybe. not much.

PerfectStorm - November 7, 2018, 3:15 pm

Besides luck the only faster way is to buy them really.

Yin Yang - November 7, 2018, 3:17 pm

Posting and not gambling would be the best way

Not really. I've done it once and I realized right then I was going to lose my entire life gambling if I continued.

Cameron - November 7, 2018, 3:40 pm

All in on BlackJack my friend. Alternatively there's a few members who sell bytes.

Post high quality content to get a few and save them, learn how to play blackjack and gamble them until you reach a considerable amount.

Selling your signature is also a good way to make some extra bytes.

Try to sell your signature for 50 bytes a day.

I also won 250 bytes because I donated 10 bytes to someone I felt sorry for haha.

Predator965 - November 8, 2018, 2:55 am

Posting a lot but do not spam , make serious posts lol

bananachocobo - November 8, 2018, 2:58 am

The fastest way is buying bytes and winning them through gambling.
Gambling is also the fastest way of losing them. Lol.

QU35T - November 8, 2018, 4:02 am

jsut dont gamble that's all and make HQ posts.

b?xxy - November 8, 2018, 7:30 am

If you want to do it the risk-free way just make interesting threads that people will want to reply to.

jesuschristisfake - November 8, 2018, 7:38 am

Make a giveaway, it usually works ;p

Bob White - November 8, 2018, 7:40 am

Yeap, post threads people want to engage in, reply to posts you want to engage it, just avoid shitposting just to farm reps, thats bad news bears.

Pyro - November 8, 2018, 7:48 am

It's luck based so I guess.

Wolf - November 9, 2018, 12:57 am

Buy them, buy awards or upgrade yourself for some extra bytes per post. And post a lot, it adds up.

Dekux - November 9, 2018, 1:34 am

Try to post comments in different threads. And try to post threads.
