Thread: [\[GFX/DOX/MORE\] D.C's Free Services Mega Thread \[ALL MEMBERS WELCOME\]](#)

Game - November 7, 2018, 3:28 pm

Hello Community!

To spend my time somewhat usefully, I will be providing my services for free here. All you have to do is complete any of the forms below with your requests & I will respond to let you know if I can do it or not, then give you a rough estimate of time I may take to complete your request.

Graphic Design Request Form [\(Click to View\)](#)

Code Type (Logo, Banner, Animation, etc):

Theme (Gaming, Future, Girly, etc):

Colour Scheme (Self explanatory):

Text (What texts you would like on the design):

Examples (Link to any examples):

Database Search Request Form [\(Click to View\)](#)

One "Target" per request please. No members of Hackforums allowed to be targeted.

Code Username/s:

Email/s:

Phone/s:

Real Name/s:

Links to public profile/s(FB, Twitter, etc):

Doxing Request Form [\(Click to View\)](#)

One "Target" per request please. No members of Hackforums allowed to be targeted.

Code Username/s:

Email/s:

Phone/s:

Real Name/s:

Links to public profile/s(FB, Twitter, etc):

Other Information:

I will be updating the thread as I go on with more and more services. If I miss your request/s, just quote them in a new post and state "Reminder".

Also, positive popularity votes are of course welcome. As well as donations. ;)
