Can you just send it through the PM system?

If you still have a vouch copy available, send me a pm.

Edit: I've received a vouch copy and will be leaving my honest opinion on the product. The method

is self isn't bad, it's not something really groundbreaking but it's using social media with a twist. You can possibly make some good money from this, but it'll take a while to actually start earning money though.

I'll accept and review a vouch copy, I've been ewhoring for a decade so I can provide insight to the quality of your ebook.

Thanks!
