Thread: [\[VIDEO\] Simple SSH Scanner](#)

vimtox - November 10, 2018, 6:33 am

Very simple but idc was bored

youtu.be/EV84M2jG9_4

or for the people that thinks that link is a logger:

youtube.com/watch?v=EV84M2jG9_4

Lmao its youtube's own link shortener full link is: youtube.com/watch?v=EV84M2jG9_4

vercenta - November 10, 2018, 8:41 am

Lol... All this does is check if port 22 is open and it's python so it will be sluggish as tits.
