I'd do 500 for Silver Medal + Apple or one of those two + 1 of the other listed awards (excluding omnicoi).

Otherwise Spy award + 1 of the other awards listed.

Send me a PM with your prices please

Mr. Robot - November 12, 2018, 8:04 am

Decided to add prices instead. I wasn't going to but had someone pullout and need these gone asap.

Mr. Robot - November 17, 2018, 10:48 pm

Looks like Sunglasses are back on the market by the looks of things.

Don't sell the silver medal to a LQ member.

Lavish Living - November 17, 2018, 11:27 pm

I can do \$1k for all. With no tattoo necessary.

May take me a few days to get crypto for you tho, I can do Venmo or Zelle anytime if you'd take one of those

The 1k will be without the sunglasses however if you can get it before someone else picks any up it's a deal.
