Thread: [NETFLIX PREMIUM ACCOUNTS FOR UNDER \\$0.20!!](#)

**BenzaHdd** - November 11, 2018, 2:08 pm

Hello there, this is not a method like any other! This is simply a method because I developed the website for a client and added a coupon code which allows for 10% off all orders on the store I created for the client. (Client sells Netflix accounts).

I can get you Netflix premium accounts for under \$0.20!!

Post a reply below for me to PM you the method!

Please do not spam this method multiple times a day as it will become suspicious multiple \$0.20 payments a day from the same user.

If you rep, you will receive the method much faster and have priority over other users!

So are these cracked accounts, trial accounts or personal accounts that I get to keep with premium forever? Either way I'd like to see the method! :D

Cracked accounts through private database's. Can't guarantee how long they last as I'm not the seller but their under \$0.20 so doesn't really matter ?

Just PM'd you.

Heya mate, i am interested in this can you PM me the details?

**BenzaHdd** - November 15, 2018, 2:43 pm

Replied to everyone. Apparently, there was mail sending issues after purchase. I believe I've fixed them as I still have the clients FTP login details. (Am using them for only good use).
