Thread: [Black Ops 4 - MASTER PRESTIGE - PUBSTOMPING](#)

oRequiem - November 12, 2018, 9:21 am

Currently LIVE right now if you guys wanna watch some pubstomping.
Trying to keep that community alive :)

Will post here everytime I'm LIVE.

You can join right now if you want lol.

Embargo - November 12, 2018, 9:28 am

I would scale back the view bot, active viewers, and followers by about 500%.

I was watching you bounce between 40-150 viewers with no one chatting lol.

Almost anyone will be able to tell you're not legitimate immediately.
