Thread: [Bytes Giveaway - 5 L33t - 10 Ub3r](#)

Conscious - November 13, 2018, 6:15 am

Hello HF, time to give back to the community.

Only thing I ask is that you check my signature and maybe write your opinion about Omniscients new game.

I played the game for years way before omni got ownership of it, so as you can imagine I love the game :)

Anyways lets move on to why you all came here BYTES!

5 for L33t.
10 for Ub3r.

Lets go.

u?op ?pisdn - November 13, 2018, 6:16 am

Would love some Bytes to feed my gambling addiction, thanks brother.

Thanks for the bytes giveaway.

Goku - November 18, 2018, 6:32 am
The game has a mafia browser game type feel. But to be honest I want a fully fletched graphical hackers game and not a "text" type game.

If Omni was truly serious about having a hackers game he should hire a team of game devs and designers and make a cool game.

Maybe in the future, we'll see.
