Thread: [I've decided to follow the carrer path of a Pornstar + HackForums](#)

QWantSearch - November 13, 2018, 11:20 pm

So a young pornstar worked at McDonalds for 2 years then did porn.

So Im going to work at McDonalds and Ewhore on the side, and make porn and advertise my kik on the video watermark.

Im so happy, porn and hackforums have set my life on the right track.

MasterWindo - November 13, 2018, 11:22 pm

Yes, it is. unless he's got a big dick or appalling sexual body. ?

mycatisadog - November 13, 2018, 11:46 pm

Don't do it as a side job, do porn while doing mcdonalds, I'm sure it would be more fun lol

Dope - November 14, 2018, 2:26 am

Well good for you if it's fine by you.

Business - November 14, 2018, 2:31 am

A lot of people think they can just jump into the porn market. Good luck man, people are putting a lot of hours and dedication into their porn companies. It's no side gig from what I've heard.

PerfectStorm - November 14, 2018, 2:32 am

This must be a joke come on. Troll much ?

Sheep - November 14, 2018, 2:39 am

The path to porn stardom is littered with doing every fucked up thing you don't want to do.

no\$fer7u - November 14, 2018, 2:40 am

SIM-4018496 - November 14, 2018, 2:43 am

Agent Shark - November 14, 2018, 4:43 am

The dedication porn stars go through to make their dream successful is a lot.

pms - November 14, 2018, 4:59 am

Well that's kinda weird, but hey if it works for you, go a head.

TheChaosKiller - November 14, 2018, 5:00 am

Not going to post any links, not that people would wanna click, but I was in the adult film industry for exactly one year when I first left university. I was relatively blessed, the only reason for getting the gigs, and the pay was decent but the life is fucking dreadful. You spend all day on a set waiting for your moment, having to stay hard constantly, and trying not to get under or overexcited, while ridiculously attractive women talk to you or prance around naked. Then after doing the deed however many times, which can get very painful, you end up pretty much by yourself with no one to talk to, or invited to parties which are nothing but drugs and loud music. While that was fun to begin with, you soon realise it's taking a huge toll on you and depression sets in, and because you're male, you end up with less and less opportunities and an increasing gay audience which isn't the most fun if you're a hetero dude and don't want an inbox full of dick pics. The money starts to get less and less because new guys are constantly offering to work for peanuts, and having to meticulously groom yourself for bizarre angles is an absolute chore when you get last minute calls. It's fun, but it's hard fucking work, pun intended, and not for those who have even the slightest self doubt or confidence issues.

Skepticism - November 14, 2018, 5:04 am

I too often think about joining the pornography industry .. it seems as though I've always been able to make a woman scream in pleasure (maybe pain, too - depending on destination LOL)

J4mmy - November 14, 2018, 5:06 am

McBanging is not what I want to see on McDonlads menu next year tho.

spradebassen - November 14, 2018, 5:15 am

im sure this was all meant to be

your destiny

Rayner - November 14, 2018, 5:26 am

Hopefully you don't accidentally start doing gay porn... I heard it is hard to make it in this industry nowadays but good luck.

I'm forreal, I dropped out of college, I was in Uni mostly for a free meal and shelter.

So now Im back in my OG area, and looking for work because ewhoring is not what my parents want me doing ful time. (Tho I made \$100 in 2 hours)!

So Im going to get a job such as McOrgy and Ewhore after work, and make sweet porno with the barley legal cashier womans.

I'm feeling pretty decent as my HAX skills will always be here.

bananachocobo - November 14, 2018, 9:43 am

Wait what? Are you a girl? If you're a boy, good luck on the harsh road.

King Kyber - November 14, 2018, 9:56 am

Can you first tell me what a carrer is first?

Mix - November 14, 2018, 10:41 am

thinking about it in the long run your gonna regret becoming a pornstar later in life, it will fire back at you and you will regret it every night you sleep and probaly have to be downing a bottle of gin to cry yourself to sleep. but good luck!

Enzo Ferrari - November 14, 2018, 10:47 am

Damn. If that's your dream. Have at it. Let no one say otherwise. Just be persistent and kill it. If this is trolling. Bad troll ?

deltaone - November 14, 2018, 11:33 am

why are there so many ban evader troll accounts and why are hf members feeding them?

QWantSearch - November 14, 2018, 11:39 am

Why are mods banning people for talking about their ballsack? This is a public place were balls are commonplace.
