I have sent +3 but im not opening a contract cuz that would be abusing the contract system and will lead you to getting banned.

Let me know when sent

I'm all in favour of the user giving \$0.50 for popularity, but using it to buy contract rating is bs for both parties adding invalue count.

Paid everyone... I think? Tell me if I missed you!

Jarymaine - November 15, 2018, 9:35 am

Started a contract, glad to do business with you.

Don't worry I don't think this is against the rules. The fools are farming for posts.

(Nov 15, 2018 10:51 AM)Bear Wrote: [\[CITE\]](#) I believe what you did was farm b ratings, which isnt ethical by any means. Idk how Omni will see it, but to me, its not right at all.

I never asked anyone for B-ratings (or even mentioned them, until people started bringing this up). If the staff didn't intend for B-ratings to be given for small transactions, they'd simply have introduced a minimum \$ amount.

What I'm doing here doesn't significantly differ from the buying and selling of accounts or other low-value transactions.

(Nov 15, 2018 10:58 AM)Enzo Ferrari Wrote: [\[CITE\]](#) You require people to make a contract for a positive popularity rating, what a bullshit.

Nonsense, I've paid lots of people in this thread who didn't make contracts. I request that people make contracts so I can already see if I paid them or not...

(Nov 15, 2018 10:58 AM)Enzo Ferrari Wrote: [\[CITE\]](#) Next to that i'm sure you also asked for a positive b-rating in PM, Omniscient can view PMs btw even if deleted. I don't think I've sent a single PM regarding this thread.
