Thread: [Buy a member a L33t Subscription and get 1000 Bytes](#)

Omniscient - November 16, 2018, 6:49 pm

The next 5 members that gift another member a 6-month L33t subscription with Stripe (Credit Card) will get 1000 Bytes.

This will help us test the new Credit Card option we have on the upgrade page.

PM me any problems.

EDIT: This is no longer available.

Gratz I upgrade noob x_hunter_x as long as he's not a multi and once the bug gets fixed thx no more pms plz

Dredd - November 16, 2018, 6:51 pm

Very nice feature the title says 500 the thread says 1k bytes?

B?ker - November 16, 2018, 6:56 pm

Just tried to upgrade a member and got this:

The supplied user is already upgraded or there was an error. No payment has been processed. Please go back and try again or contact an administrator.

This user is not upgrade as well.

Lavish Living - November 16, 2018, 6:56 pm

Hmm I tried upgrading someone via stripe cc and it gave me an error

Can you please try again? It should be resolved now.

Omniscient - November 16, 2018, 7:06 pm

Sorry, try now. :) We're still working on some bugs and testing. That's why I'm offering the Bytes now.

That was fast.

I would be happy to help you test, I'll try and find someone to upgrade.

Edit- Workes very well, I even got a text message confirming sent to my phone and he was upgraded instantly. Don't worry about sending me any bytes.

Omniscient - November 16, 2018, 7:40 pm

Three done, 2 to go. :)

luke - November 16, 2018, 7:46 pm

I wonder if this'll bring in a new influx of l33ts who weren't planning on upgrading.

I would assume, Crypto is kinda shit rn.

Nuworld - November 16, 2018, 8:20 pm

Just upgraded this member.

Edit: Once payment is sent the user is upgraded instantly and brings you to there profile.

Cryptic™ - November 16, 2018, 9:14 pm

I just upgraded [STBG_banappeal](#) (also pls don't ban him lol)

So is all payment info just being stored on Stripes end?

I decided to give the guy a lifetime upgrade because gifting someone a 6 month sub to L33T is like trolling them. One day they'll log in and see it's gone.

Omniscient - November 16, 2018, 9:49 pm

Well that's it then. Thank you guys for helping test this new feature. Appreciate it.
