Thread: [Tell Me What To Say... In ASMR!](#)

Fortunate - November 18, 2018, 1:08 am

I'm very bored and I thought of a good idea. Probably not though.

I'll be recording ASMR clips on vocaroo. Just send me phrases, topics, anything.

Well, not in this case ?

I have a very weird accent, probably will just keep you awake. Depends on what you give me.

I really like when "they" talk about some kind of facts/interesting things in ASMR videos. I get to know new things and I get to enjoy the ASMR. @ me when you got the audio recording hahah
