Thread: [Pantz Game Servers - \(Many Locations, Cheap, DDoS Protected / TCADMIN\)](#)

PreimumSellerPantz - November 18, 2018, 9:22 am

Hello, I'm Pantz I have recently purchased a reselling account at a popular game server host today I'll be opening my reselling store for use I offer multiple locations that will be listed below.

The hosting provider uses TCADMIN with an easy to use layout and clean theme.

I am willing to provide free vouch servers to high rep members of the community the vouch servers will last a life-time.

Prices - These are the current prices (If you want the server before you purchase to know we are legitimate we can do that but you then have 5 minutes to provide us the payment otherwise your service will be revoked)

Contact Information -

Sales Discord: pantic#0173

Payment Method 1, 10 GPB - Amazon GiftCard - Life-Time Server/With Support

Payment Method 2, 15 GPB - Steam GiftCard - Life-Time Server/With Support (Extra 5 GPB)

How much access do I have to my service?:

We provide you as much access as possible however you will not have executable permissions (.exe) uploading.

Depending on the game you get full file manager/FTP access to the service.
