Nah I'm just messing with him. Its 50\$....He opened a dispute on me before the transaction was clear and has been threatning me since...So I'm just toying with him at this point..Its 50\$ I got that lol

GLWS88 - November 18, 2018, 10:07 pm

I opened a dispute after it was 5 confirmations. Now it's cleared why don't you just pay up

LoveOverFear - November 18, 2018, 10:28 pm

Damn, thats fucked up OP, hopefully it gets resolved, It's a struggle making even \$10 online unless you find your niche.

Good Luck.

All he says right now is "Thats Beyond me" not even trying to defend himself.

This feels similar to some recent accounts that have been banned for scamming. I wonder if it's the same guy

Sigh.. I really hope the currency exchange section gets removed.

Bill Gates - November 19, 2018, 2:01 am

At least he will be banned when he doesn't pay one of the disputes. Before he would have been allowed to continue on his spree.

Nisekoi - November 19, 2018, 2:23 am

lol the account is clearly hacked hes trying to scam as many people as he can before getting banned

It's sad to see someone who's been around for so long, get over on someone for so little. It's a shame.

Sorry to hear of your loss OP, I'm sure it will get resolved soon.

Velma - November 20, 2018, 12:58 pm

This is why you always make contracts so you can dispute and attempt to get your money back.
