Description

So this user wanted to buy BTC from me paying with PayPal Funds via Friends & Family

Proof

MY TRANSACTION:

Damn sorry to hear OP. Never go first when it comes to trading BTC for PP

It's sad to see someone who's been around for so long, get over on someone for so little. It's a shame.

Sorry to hear of your loss OP, I'm sure it will get resolved soon.

it really doesnt matter when it comes to PP, cause he can chargeback anyway
