Going on vaca soon how does this work if i order 20 rides from you ? I put the codes in myself or you do it ? And it takes \$10 off each ride i do or it take a percent off the ride ?

I will add them directly to your account, you only need to share your invite code once while ordering. It takes 10\$ off not percent. (For example a 12\$ ride will be 2\$)

Jombah - November 23, 2018, 2:09 pm

Does this have any risk on your Uber account

Bear - November 23, 2018, 3:19 pm

I've been using these rides myself personally for about 2 months now. No issues at all. Just don't go complaining to Uber to get coupon refunded if a ride gets canceled for some reason. Like if driver cancels or you had to cancel.

Fr3sh718 - November 23, 2018, 3:25 pm

Sound good so if i order 20 thats \$200 \$10 off each ride and i saw if they cancel the trip what would happen ?

LordNextossal - November 23, 2018, 3:30 pm

Wish you had discord. Though just to confirm this does work in Canada as well right?

If ride is canceled, I think the \$5 fee comes from the coupon. I'm not 100% sure tho. Either ways, you'll use up a coupon in that case. It's common sense.

Correct. You get referrals and those get you \$10 off per ride.

xscatta - November 27, 2018, 2:31 am

if the app referral says it adds 5\$, I pay \$2 and save \$3?

Also do the discounts stack so my rides are "free"?

I think seller can change coupon amount to \$10, so you save more.

Also no they don't stack. It's \$10 off per ride.

For US customers I'll change that to 10\$.

But as Bear said, its 10\$ off per trip and you can only use one coupon per trip.

You can use in UAE but check your free rides section for the amount you'll be getting.

You basically save \$8 per trip you take. You buy the referrals at \$2 each, which gives you \$10 off every ride. They cannot be stacked, they are only to be used once per ride you take, for \$10 off.

You bought 55 rides.(but you get 3\$ *3 rides on each).
Actually, they're just taking more time probably 48-96hours for them to be credited but the delivery is on pace at my end. :)

Actually, they're just taking more time probably 48-96hours for them to be credited but the delivery is on pace at my end. :)

I'll be updating as soon as I get a confirmation of the timeline that referrals are taking to be added.
Okay thanks brother

Interested in this service. I'll probably take 5 for a starter, could you drop me a PM with the relevant details to make this happen.

We will have to do PP - FF due to no BTC left.
