Thread: [Clash of Clans | Any active players want to join my clan?](#)

Amnewom - November 23, 2018, 6:02 am

Just created a new clan with both of my accounts in it. I have 1 maxed TH 9 and an almost maxed TH 10. Looking to recruit some good players. If you're interested, PM me or reply with your clash of clans tag.

Hello Amnewom, can I add my another account on your clan?? However, I'm not very active right now. I am using clashfarmer.com to farm resources while working. This bot is really amazing, they released a new version which includes many bug fixes and improvements.
