People are freaking crazy. Besides with all the sites that do black Friday deals, could probably find one like that or better even maybe for same price or maybe cheaper.

0xB9 - November 24, 2018, 5:24 pm

This is so sad seeing people this desperate for a sale.

?Apocalypse - November 24, 2018, 5:28 pm

I don't think the price is that great for all that trouble

Blogger - November 24, 2018, 5:31 pm

That's hilarious. All of that for some fucking underwear.

Slimeey - November 24, 2018, 6:09 pm

Are the clothes \$0.50 or something?

Soul - November 24, 2018, 6:18 pm

All for just a couple of bucks.

Condoms - November 24, 2018, 6:19 pm

Mr. Robot - November 25, 2018, 4:48 am
I woulda just bought the lot if I could then resold them for \$10 more outside.

Verma Sharma - November 25, 2018, 6:53 am
I fucking love America, lol.

Yin Yang - November 25, 2018, 6:55 am
Damn I thought there'd be more. The Walmart one's are much crazier and people end up getting arrested.

MR. MORNINGSTAR - November 25, 2018, 6:56 am
This must be in USA, right?
I've been telling this forever, but I'll say it one more time. All Americans are brainwashed. You are all puppets lol.
Look at this, look at what you people are doing. You're animals.

All that American dream, these black fridays, thanksgivings, it's all just to keep you all calm and happy. Bread and games and everyone is happy.

All I can say for this video is that you're all crazy.

Oran2009 - November 25, 2018, 7:03 am
This didn't make me laugh... it was ridiculous xd. You do this, and next year they might not mark the prices down.

That's the spirit. Would've done the same ?

I'm living in Memphis currently and didn't see many people out on Blackfriday. I think more people are realizing they can go online and avoid all the craziness from the comfort of their couches.

hash - November 25, 2018, 8:54 am
Black Friday literally calls people their animal instinct, fucking crazy.
