Thread: [Brony Award | BIN: \\$100 BTC](#)

Rubentastic - November 25, 2018, 4:52 am

Hi all,

Decided to sell my Brony award.

My BIN is currently \$100 BTC. But I'm open for offers.

Also open for trades if you got cool awards to trade or awards + BTC. Anything is possible, just offer me ? !

Interested in other awards? Just shoot me a message and maybe we can work out a deal.

Good luck with sales, buying a discontinued award for the original price is a great deal.

So many of these awards were sold, I think you would be lucky to get 50.00. That award was available for years.
