Omniscient would probably revert the byte transaction if you used Contract.

Regardless, good luck resolving this!

Not that it makes a difference but he didn't scam you for 1 mc donalds burger.

He scammed you for 4 Mc donalds Cheese burgers and a Chicken Ranch Snack Wrap (Grilled or Crispy).

He already gambled and lost my 650 lol

Omniscient - November 28, 2018, 8:51 pm

He's 6 month banned and I returned your Bytes.

Next time use Contracts.
