they were originally around \$0.01/byte, then crews came out and they INSTANTLY shot up to 0.02/byte cuz ppl like MMLF, and have slowly dropped back down to the original price.

P.s How do I get a pink username?

Just keep riding hard dick like you're already doing and you'll get a pink name soon enough.

the only way to get a pink username is to pay the lifetime \$75 buy-in fee.

soon to be \$100, starting June 1st

I contemplated getting a food row, to go with my animal row, but I don't even really care for the food awards... like the taco one that I easily coulda gotten on taco day. Just didn't even want it tbh

humanbody - April 21, 2020, 11:24 am

shitmaster - April 21, 2020, 11:55 am

I know the eggs are temporary. But it'll definitely look better with 1 golden one in the list :-p. As for the layouts I like the 4th one the best. You must have really spent a lot on all these. You would be able to get at least the cheapest car in many countries with what you have there. Great contribution to HF.

Thanks buddy!

Ha! That's a good one. I like you.

You could ask your mom. I mean, she kind of owes you. After all you let her practice for her job interview by letting her ride your dick.

Your whole family is like a human train. Your dad gives you dick, while you give your mom dick, while she licks your sister.

Chuu chuu.

humanbody - April 21, 2020, 12:38 pm

With those 13 eggs that you have, you could make a nice omelette for 3 people. Anyway congratz on the 111 awards.

SoulZeh - April 21, 2020, 12:40 pm

It's literally so aids just scrolling about 10 days because of your awards, fml.. Still a little jealous tho.
