I sold my clover award yesterday, and a few hours later i got a new one lol. But I can't put the new one on the market, why is this? ?

I think you have to own the award for 6 months before selling it, you lucky bastard :D

Oh thought you meant no buyers

Effexion - December 1, 2018, 4:58 am

You might only be allowed to sell one, not sure.

You need to own an award 6 months before selling.

Ahh, that makes sense. I was kind of hoping on dropping on the gold one but this changes things lol.

If you earn a clover and sell it, are you eligible to earn another one? ?

Like others said, after receiving an award you have to wait 6 months before you can sell said award.
